

Infinity (SARIS - Beyond The Rainbow)

Verse 1

The wheel of time is turnin'
Again and again
I never counted all these years
Again and again

Verse 2

What about my sorrow?
Every time you leave
So can I hope for salvation?
In case of disease

Verse 3

Should I still be patient?
If time is running out
So can I die as a human?
There remains no doubt

Bridge

I would battle hard, with shackles on, till the end

Chorus

I... won't reach infinity, a fate in paradise
We are chosen to make a sacrifice
To infinity, infinity

C-Part

Here we go to the end of the rainbow
Expecting things we ought to know
Lost in the wake of cruel divinity
But I can't reach infinity, infinity
