

Away From You (SARIS - Beyond The Rainbow)

Verse 1

I don't love you anymore
Just another broken heart
That's leads me to the end
There ain't no truth in what you say
But you do it anyway

Verse 2

I don't need you anymore
You never dealt in honesty
What's a man supposed to do
I won't be crying over you
Too late to play romance

Bridge

Ah ha.....

Chorus

One step away
Away from you
Away from you

Lost in my dreams
Lost in my Life
Out in the Rain
Away from you
Away from you
