

Strange Melody (SARIS - Beyond The Rainbow)

Verse 1

Don't want to hear this melody
Don't wanna know what comes up next time to me
I don't care, I don't care
Who's the one beside of me?

Verse 2

Don't wanna know what's wrong or right
Life's not always what it seems to be
Some hold back and some can't wait
But in the end, it's time to go

Bridge

However we decide, wherever we will ride
It's a strange, strange melody

Chorus

Passions will part to a strange, strange melody
Old fashioned fears in my dreams will fade to grey
Moments of magic are shared in a memory
The circle of time will effect all changes
