The Bounty

Verse

I work up on a prison floor
like some gulag in Ecuador
There's a bounty on my head,
Shut my mouth or I'll wind up dead.
If silence saves me, I'll do it all again
If the truths enslaves me, the sword is mightier than the pen

Chorus

There's a bounty on freedom, there's a bounty on fear.
What's your life worth to be half dead
'cause there's a bounty on everybody's head.

Verse

My empty pockets now fill their hands,
Always shouting their strange demands.
I should be free just to go my way
But now it's me with a price to pay.
Do you think you own me, my enemy or friend
History has shown me that I'm gonna stand my ground again

Chorus

There's a bounty on freedom, there's a bounty on fear.
What's your life worth to be half dead
'cause there's a bounty on everybody's head.

C-Part

I'm sorry I spoke now I've gotta get out of here.
I didn't mean it so please let me out of here.
Why is it so wrong for me to say what I feel and feel what I say
And believe it, believe...

Verse

Now they're waiting for me outside
They're breaking doors but not our pride.
The prison cell doesn't do returns
It's just a place where the justice burns.
If it's easy takings you're living in a lie
If it's just for ratings then you can look me in the eye

Chorus

There's a bounty on freedom, there's a bounty on fear.
What's your life worth to be half dead
'cause there's a bounty on everybody's head.

There's a bounty on freedom, there's a bounty on fear.
What's your life worth to be half dead
'cause there's a bounty on everybody's head.
